

Unipaint Crystal Shine

A Versatile Finish for Both Exterior and Interior Surfaces

Unipaint Crystal Shine Technical Data Sheet

Product Overview

Product Name: Unipaint Crystal Shine

Applications: Suitable for both exterior and interior surfaces, and can function as a sealer for walls.

Finish: Semi Gloss

Features and Benefits

- **Durability:** Provides long-lasting protection against weather conditions and wear.
- **Versatility:** Ideal for various surfaces including wood, metal, and masonry.
- **UV Resistance:** Offers excellent protection against ultraviolet light, maintaining color vibrancy.
- **Mold and Mildew Resistant:** Contains agents that prevent the growth of mold and mildew, ensuring a clean surface.
- **Ease of Application:** Smooth application with minimal brush or roller marks.
- **Low VOC:** Environmentally friendly with low volatile organic compounds.

Technical Specifications

- **Color Options:** Available in a wide range of colors, customizable to match any design needs.
- **Coverage:** Approximately 400 square feet per gallon, depending on surface texture and porosity.
- **Drying Time:**
 - Touch Dry: 1-2 hours
 - Recoat: 4-6 hours
 - Full Cure: 7 days
- **Application Tools:** Brush, roller, or spray equipment.
- **Clean-up:** Soap and water while the product is wet.

Surface Preparation

1. **Cleaning:** Ensure the surface is clean, dry, and free from dirt, grease, and peeling paint.
2. **Sanding:** Sand glossy surfaces to a dull finish for better adhesion.
3. **Priming:** Use a suitable primer for unpainted or heavily stained areas.

Application Instructions

1. **Mixing:** Stir paint thoroughly before application.
2. **Temperature:** Apply when temperatures are between 50°F and 90°F (10°C and 32°C).
3. **Coats:** Apply two coats for optimal coverage and durability.

Safety and Handling

- **Precautions:** Use in a well-ventilated area to avoid inhalation of fumes.
- **Personal Protection:** Wear protective clothing, gloves, and eye protection.
- **Storage:** Store in a cool, dry place away from direct sunlight and heat sources.
- **Disposal:** Dispose of contents and container in accordance with local regulations.
